L'orange
YOUR POWERFUL INJECTION

The new Fuel Pumps and Pump Elements from L'Orange, with **anti-sticking** solution and improved design, ensures significantly longer maintenance intervals, thus reducing maintenance costs.

The running hours are extended by 4-10 times as compared to the standard non-coated products.

All spares supplied by MPI are backed by the **warranty** of individual component manufacturers. Additionally, MPI has **Liability insurance** cover for Euro 2.5 million.
